Description:

TwinLab Apple Pectin USP Caps are of the highest quality and meet the purest grade of apple pectin obtainable. USP stands for the United States Pharmacopeial Convention. The USP sets the official standards of strength, quality, purity, packaging and labeling for nutritional and medical products in the United States. TwinLab Apple Pectin USP Caps also contain vitamin C. Vitamin C synergistically enhances the effectiveness and benefits of apple pectin.

Warnings:

Keep out of the reach of children. Store in a cool, dry place.

Customer Reviews

Rating:  - I Love It
08/12/2002

I love this apple pectin, it helps my diarrhea
really well.
